- Student athletes will shoot an early session (Session 1), and again after the first session has completed (Session 2).
- Athletes will shoot two consecutive rounds of 25 targets in each session.
- Squads cannot take a break between rounds during each session except to retrieve the second box of ammunition.
- Squads for Session 2 must be comprised of the same athletes and squad shooting order as Session 1.
- Squads must be prepared to shoot immediately after the previous squad completes their round.
- Scoring disputes must be initiated by the student athlete only, and must be immediately after a scorer announces a lost target.

- Apply Session 1 labels on the score sheets for each preferred squad. Do not pre-squad Session 2 until Session 1 pre-squadding is completed.
- If a team has a short squad (less than 5), coordinate with an adjoining field/team to add student athletes to complete a squad.
- Novice, Junior Varsity, and Varsity athletes may be squadded together.
- Members from a different team CAN be included on the same scoresheet.
- If a student athlete does not report to the assigned trap by the scheduled time, the student athlete must be moved to the final squad out.
